

Uthoff Hybrids is a multi-generational owned and operated family farming business located south of Cedar Rapids, Iowa. Founded in 1978 by Vince and his parents, Orville & Marie. Since 1996, Vince & Ann Uthoff have operated the business. In 2018 Jordan & his wife Kaci joined the family business. We pride ourselves on being a regional seed corn company. We also farm, raise cattle, so we know what issues farmers can face during the year. We produce, condition, and sell top yielding hybrids. Our goal has always been to provide quality seed at a reasonable price. Our customers have always said 'We have had good luck with Uthoff Hybrids' 'The Good Luck Corn'.

Agrisure Traits Hybrids

U099-3110

99 Day

Glyphosate and Liberty tolerance. Excellent agronomics on a hybrid that can go north very well. Can be planted early south of Highway 30 for early harvest without sacrificing yield.

U102-3110

102 Day

Glyphosate and Liberty tolerance. This has been a very consistent hybrid that also works well for silage. This hybrid will perform across all soil types.

Agrisure Traits Hybrids

U311

111 Day

Glyphosate and Liberty tolerance. Attractive plant appearance with late season intactness. This hybrid has excellent tolerance to tar spot. Semi-flex ear with pink cob. This hybrid won the Coggon, Iowa plot in 2024. Available in Agrisure Above (AA) and

Duracade (D)

U507

107 Day

Glyphosate and Liberty tolerance. Hybrid with excellent agronomics and fall intactness. Girthy ears with medium ear height makes this a good choice for a traited hybrid. Available in Agrisure Above (AA) and Duracade (D)

Liberty Link Hybrids

U407LL

107 Day

Good stress hybrid with Liberty Link resistance. Improved stalks, roots and late season intactness from other Liberty Link Only Hybrids.

U208 LL

108 Day

Goss' Wilt & Northern corn leaf blight resistance. Set pop. @ 30,000-34,000 short husks on semi-flex ear.
